Race 1

1 Mile/Trot • KYSS Consolation / 2YO Fillies

*** **EARLY PICK 5 CARRYOVER** | **\$1,678.72** ***

(7) MAMY WATA had loads of late trot against good ones on debut, but admittedly worked an easy trip. Despite the outside draw, she may be against the right group to work another good trip. (2) GYMBOREE seemed poised for a good finish until breaking stride off the bottom corner. Worth another try. (6) DUBET gave even chase on debut and should be better from that mile. (3) MADE OF GOLD draws well enough to maybe keep herself together and grab a piece.

Race 2

1 Mile/Pace • KYSS Final / 2YO Colts & Geldings

One horse has caught the eye in both prelims: (5) GOT BOURBON. He didn't bobble in the stretch in his second start back and actually came with fury to just miss. He may offer value as one that's readily improving. (3) LEW HAUBER is an obvious talent but had to reach for the wells to just win last out. (4) REALMENWEARBLU has speed but will have to show more than his regression last out. (6) DOC'S BUDDY had late speed and should again try to punch into the mix.

Race 3

1 Mile/Trot • KYSS Final / 3YO Fillies

*** **ALL STAKES PICK 4** ***

(2) BLACK VELVET AS pushed first up under wraps and crushed. She gets a great draw to do well. (6) WOMAN OF PASSION is classy and fast but will be a short price. (3) STELLA VOLO trotted her best race last out and could also be worth a play at the right price. (1) BLACK BUTTON should try to close into action from this draw.

Race 4

1 Mile/Pace • KYSS Final / 3YO Fillies

(4) DEFINING MOMENT kept chugging down the center of the track but was second best. This race could have a lot of speed, and she's the best closer in the field. (3) BATH BOMB may hope to lead them to glory, but will have to again show bravery at a short price. (1) SEEU-ONTHEOTHERSIDE just needs clear sailing. She'll be sitting off the speed and can make something happen. (2) CAPYTREACH may be able to sneak onto the ticket with the right trip.

Race 5

1 Mile/Trot • KYSS Final / 3YO Colts & Geldings

(3) MISTER DAD gathered his speed well when waiting for the seas to open in his win last out. He showed handiness in that mile and, from this spot, that's his best weapon. (6) MEMORYNIMAGINATION is an honest grinder. He keeps fighting through any trip, so he'd be no surprise finishing in one of the top spots. (7) INTERNATIONAL LAW got no room to race last out and clearly had trot. He'll be live with a tow. (5) HUNG OVER will have to show more than his last two but he has some guts.

Race 6

1 Mile/Pace • KYSS Final / 3YO Colts & Geldings

*** **LATE PICK 5 CARRYOVER** | **\$367.06** ***

(1) ARSON is fast, classy and gets a great draw. Ball's in his court. (3) DANCIN CHAMPION has the best speed of the field and may be able to scorch the dirt. (5) BETTER IS NICE can also fire out and sit close, which is probably his best shot. (6) SWAGGY CAL went a big mile on cover last out, but will have to show more if he wants to win.

Race 7

1 Mile/Trot • KYSS Consolation / 2YO Colts & Geldings
 (3) FIFTYDALLAR TAB keeps getting frisky behind the starting gate, but shows clear ability in how he collects, catches the field and grabs shares. Smooth sailing puts him in the winner's circle. (5) WESLYNN WARRIOR needed an easy mile last out after breaking on debut and should be able to do well against this group. (1) MAZOYERES was well beaten in his debut but he draws well. Will have to be ready off the sick scratch, too. (2) FEELGOOD VOLO gets a driver change off tough-to-read miles. Maybe a price for underneath.

Race 8

1 Mile/Trot • KYSS Final / 2YO Fillies
 (6) APERFECT ANNIE fought well when losing substantial ground off the bottom turn to finish second. She gets a good draw here and can improve in her second start. (7) VOGUISH is obvious class and talent, but will have to prove herself quickly with this draw. (5) YO TILLIE loves to pass horses. If she's perched in the pocket, she's a major threat. (3) STACKING GREEN is fast but has to show a bit more fight.

Race 9

1 Mile/Trot • KYSS Consolation / 3YO Fillies
 (5) HALOA kept gaining on a good one in Woman Of Passion last out but settled for second. She's clearly ready to do well. (2) GREEN FEE gets a better draw and Andy Mac likely learned a lesson to keep her flat when driving her last week. (1) BONN should do better against this group and gets a prime post to utilize her speed. (7) SOMEBODY SPECIAL should be able to at least hit the ticket if she decides to not get aggressive off the wings early.

Race 10

1 Mile/Pace • Open Handicap
 Amazing race. Because of the draw, (7) ADMIRAL HILL holds the advantage. He'll have lots of speed inside to contend with, so this is in a way his ultimate proving ground. But if he can get to the lead, he'll fight to the end. (3) FOR ONCE INMY LIFE gets an amazing draw in this race to possibly play spoiler. He's been in tremendous form and will be dangerous if within two lengths off the turn. (8) LITTLE ROCKET MAN had to grind into action from the outside draw in both of his Oak Grove starts. That could be his achilles heel. But he remains a classy fighter that may work a better trip. (9) MUSKA-TEER HANOVER is always a threat at this class, too.

Race 11

1 Mile/Pace • KYSS Final / 2YO Fillies
 (5) SKYWALKER SEA is too fast. Good luck to the other fillies trying to be faster. (1) HIP SHOT is clearly second best on the page. (6) AINTNOTHINGUCANDO gets a chance to work a trip into this race after a nightmare mile out of post 10 two starts ago. Live price. (4) ACCEDE should again work a close trip.

Race 12

1 Mile/Trot • KYSS Final / 2YO Colts & Geldings
 (5) WORLD BY STORM makes his first start for Julie Miller, who trains his dam Womans Will. Maybe they correct whatever caused his uncharacteristic break last out. (7) MEMENTO MORI is a good horse, but the draw is tough. (6) BANK ON ME kept gaining and gaining to finish second last out. Expect more from him at a price. (2) LOUISE'S LEGACY should do better if he stays flat.

Race 13

1 Mile/Pace • USHDC NW \$3,000 L4 CD
 (2) PAPERBACK THRILLER returns to a group she's trounced before with a good draw. (4) CAPTAIN MCK-EE has been his best these last few weeks and is due one day. (7) SHAKEANERA showed late pace, which she normally doesn't. She should fit against this kind. (9) ROCKIN ELLA MAE may be trending in a good direction after weeks of just grabbing small chunks of checks.
